MATERIALS LIST

Flower Painting in Oils Alla Prima

Surface

1-2 canvases or artist panels (no smaller than 11x14 no larger than 18x24) - please arrive with panels toned

Palette

Wood palette is recommended but other palettes are fine, as long as they are not white.

Surface should be medium tone (not too warm or cool)

Acrylic Paint

Raw Umber (for underpainting) (this is for toning the surface before painting)

Oil Paint

Oil paint in the following colors

(I recommend artist grade, not student grade, because it has more pigment and less filler. Gamblin, Windsor & Newton, Rembrandt, Holbein, Williamsburg—all good brands):

- Cadmium Lemon
- Cadmium Yellow Pale
- Yellow Ochre Light
- Cadmium Red
- Terra Rosa
- Alizarin Crimson
- Quinacridone Magenta
- Transparent Oxide Red
- Viridian
- Pthalo Green
- Cobalt Blue Light
- Ultramarine Blue Deep
- Dioxazine Purple
- Ivory Black

Charcoal

Vine charcoal (for drawing)

Pencil (for drawing lines on canvas board)

Palette knife

for mixing colors

Brushes

My new favorite brush maker is Rosemary & Company from the UK.

<https://www.rosemaryandco.com/>

You can also order them in the US (Nashville) from <http://www.claudiawilliams.com/>

I recommend Series 279. Mongoose Long Flats in a range of sizes--choose 4-6 brushes from #4 on up to #12

If you can't find those, choose a few Filbert bristle brushes in sizes #4, #6, #8 but also make sure to have one sable flat in size #8 or #10. Try to get natural not synthetic hairs.

You may also need a small sable for signing your paintings. I recommend that the sable have long hairs rather than short.

Turps

Turpenoid or other odorless paint thinner (bring this in a glass jar—salsa jars are good). Must be odorless.

Rags

Paper Towels

Smock

Optional but recommended (old men's shirt works great!)

Brush cleaner

Old Masters Brush cleaner (works great to get paint out of brushes)
