MODEL APPLICATION FORM

Dear Model:

Thank you for your interest in modeling for Studio Thibodeaux for Spring and Summer 2008 sessions.

The location of the figure sessions is 443 Eye St. NW.

Please be prompt and if possible, 10 minutes early, to set up the pose. Call Sarah at 504-432-0049 from downstairs. She will let you in. Sarah will expect you to call her the day before to confirm your attendance at the model session. If you do not confirm, you may be replaced with another model.

This building consists of art studios and the modeling session is in the central space. Please note that the other artists and musicians in the building will have access to the space while the modeling is occurring. They may walk in and out to the bathroom, kitchen or to their studio spaces. There may also be loud music as some of the musicians practice in the evenings.

Rate is \$20/hr.

Sittings are for 20 minutes and then followed by 10 minute breaks for 3 hours.

There is no drinking or smoking in the building during the open studio. Feel free to bring snacks or nonalcoholic beverages to eat or drink during the breaks.

By signing this form, you grant the artist Sarah Griffin Thibodeaux the right to use your likeness in any and all media, and grant her the right to use resulting artwork in any promotional materials, including on her web site.
